Cranberry Chutney

Property Manager's favorite
Thanksgiving recipe!

Ingredients

2 large oranges
2 large apples
12 ounce bag fresh cranberries, washed and drained
1 cup maple syrup

Directions

Zest the oranges, scraping only the orange part of the peeling off. (Avoid the white part – it's bitter.) Set zest aside, and juice the oranges.

Peel, core and chop the apples.

In a medium saucepan, combine the cranberries, orange zest, orange juice, apples and maple syrup. Bring to a boil over medium-high heat. Reduce heat; cook uncovered for 15 minutes, or until the cranberries have popped. Stir occasionally.

Cool, and transfer to a serving bowl. Refrigerate until ready to serve.
